# Talking Points

**LEAVE A LEGACY®**

**Speakers' Bureau**

It is said, "What we have done for ourselves alone dies with us; what we have done for others and the world remains and is immortal." But the simple fact is only a small percentage of those who are able to have a beneficial impact on the lives of others have plans in place to do so. Americans are by nature generous, but over half of us do not have wills, and most have never even thought about charitable giving through a bequest or estate plan.

### *Leaving a Legacy*

The LEAVE A LEGACY® program is a national organization with local chapters who partner with local charities to promote philanthropic giving through lifetime gifts, bequests and estate planning. We work through professional advisors in the communities we serve to inform and educate clients, friends and donors to consider the benefits of charitable giving.

### *The Need is Great*

Every year there is greater need in nearly all of our communities. There is much work to be done, and charities are on the front lines of social and cultural programs that enrich our communities.

### *Education is the Key*

Organizations who wish to spread the good news and tax advantages of charitable giving are encouraged to take advantage of the LEAVE A LEGACY program's professional Speakers' Bureau. Professional speakers familiar with philanthropic giving options are available to present the benefits of the LEAVE A LEGACY program to your members or group.

Organizations or chapters need not be large. Group examples are potential donors, your Board of Directors or Civic Groups. Speakers can present a general overview on charitable giving or tailor a presentation to your group's particular interest.

### *Contact Us*

The LEAVE A LEGACY program can arrange to have a representative speak at your function, simply and easily. Just call the LEAVE A LEGACY York County program for information, guidance and to schedule a speaker. We'll take care of the rest.
